1927 Supplement to the 1926 Catalog

—♦♦♦ Of ♦♦♦—

The Triangle Farms

Circleville, Ohio

In conformity with several prominent flower growers, we will not issue a new catalog this year, but will issue a supplement to our 1926 catalog. By reducing the exceedingly high cost of a yearly catalog, we are thus enabled to give our patrons the benefit of the saving, by reducing the price of bulbs. A careful comparison of the prices which follow with those of 1926 will be convincing evidence of the saving to our patrons. As the supply of some of the varieties is not large, we would advise early replies to avoid disappointment. If you have been so unfortunate as to mislay or lose your 1926 catalog, or have never received one, just drop us a line (a postal will do) and we will be glad to send one to you.

Where no mention of a variety is made in this supplement, the same prices as for 1926 will prevail. Prices have been changed as follows:

GLADIOLI

Albania—Each .25; \$2.50 per doz.	Giant White—Each .10; three for .25; \$1.00 per doz.
Alice Tiplady—Each .10; three for .25; \$1.00 per doz.	Golden Butterfly—Each .30; four for \$1.00; \$3.00 per doz.

White Wonder—Each .20; three for .50; \$2.00 per doz.
Wine King—Each .10; three for .25; \$1.00 per doz.

These are the New Additions to Our Gladiolus Family

Albion—Tall stems bearing large blossoms of salmon rose with a peculiar pinkish tinge. Mighty pretty. Each .15; two for .25; \$1.50 per doz.

American Pillar—A beautiful variety originated by Kunderd, but not listed by him since 1921. Tall spikes bearing many wide open blossoms of rose, over spread with deeper rose. A fine sturdy variety and a beauty. Each .50; \$5.00 per doz.

Arton—Large wide petalled flowers of bright orange salmon with a red throat. A bright and conspicuous spot in the garden. Good strong spikes. A beauty. Each .25; \$2.50 per doz.

Bengal Tiger—Large blossoms of a peculiar shade of smoky red, striped and lined with smoky blue-grey. Certainly well named. Barbarically gorgeous. Heartily recommended. Each .30; \$3.00 per doz.

Betty Bales—Originated by Mr. M. F. Wright and named for our daughter. About as near true blue as has been attained. Dainty and beautiful. Each .25; \$2.50 per doz.

Costa Rica—Large blossoms of clear orchid color. The ruffled edges are tinted with a deeper color. Crimson throat. Large spikes. Each .25; \$2.50 per doz.

Dr. F. E. Bennett—Flowers of the largest size and of the most fiery red imaginable. Many open at one time and perfectly placed on the stem. Probably the best red glad in the world. Each \$1.25.

Early Pink—Large pure pink blossoms with peculiarly speckled throat. Early and very pretty. Each .20; three for .50; \$2.00 per doz.

Glendale—A beautiful new glad of an unusual shade and color. It has the exact shade of red found in that variety of cyclamen which usually blooms at Christmas time. Each .25; \$2.50 per doz.

Kirchhoff's Violet—Tall spikes of perfectly placed blossoms of pure violet. The largest and best glad in this color. Heartily recommended. Each .50.

Lacinatus—This is the forerunner of a new type in gladioli and sold for \$1,000 a bulb in 1924. The edges of the petals are beautifully waved and notched. The handsome rose pink blossoms are borne on slender, graceful spikes of good height. One large bulb will often produce several spikes of bloom. Each \$3.50.

Linton—Upper petals salmon-rose; lower petals yellow. Tall and well ruffled. Each .30; \$3.00 per doz.

Mary O' Mine—See page 26 in 1926 catalog. Actions speak louder than words, and no recommendation of ours could possibly equal the report given by Rev. Paul R. Schriver of Oxford, New Jersey, which is as follows: "MARY O' MINE was consigned to the earth May 11, 1926. She

MARY O' MINE

sprouted four spikes. Upon my return from Rochester, the first spike was coming into bloom.

	1st spike to bloom	2nd spike to bloom	3rd spike to bloom
Bulb planted	May 11	May 11	May 11
Date of bloom	Aug. 14	Aug. 22	Sept. 6
Number of days to bloom	95	103	118
Duration after cutting	10	10	10
Number of blooms on spike	14	14	12
Greatest number of florets open at one time	8	7	7
Length of spike	4½ ft.	3 ft.	11½ in.
Size of first floret to bloom	6½ x 4½ in.	6 x 4½ in.	4½ x 3¾ in.

Words are inadequate vehicles to express the beauty and grandeur of MARY O' MINE. It is superb. A pure crystal white except for faint violet markings deep in the throat which can only be seen by very careful examination. Tall, slender, graceful stems, always straight with several immense well formed florets with perfect placement. Many have cried, 'finest of all whites', but when the crown is conferred, MARY O'MINE will be in the reckoning. I have forty-three whites and MARY O' MINE is the best of all." In proof of the above Rev. Schriver sent us his picture holding MARY O' MINE in a vase. An idea of its immense size may be arrived at by comparing it with a vase of Kunderd's Adoration which is also in the same picture. Stock very limited. Good blooming size bulbs \$10.00 each.

OCELLUS

Blue Collection—\$1.75
Purple Collection—\$1.25
Early Bird Collection—\$2.70
Extra Special No. 2 (page 25 in catalog) \$4.45

TIGRIDIAS

Owing to the fact that the demand for tigridia bulbs greatly exceeds the supply it has been found necessary to increase the price to 25 cents each.

EXTRA SPECIAL DAHLIA OFFER

We are going to give our patrons the benefit of the largest and best crop of dahlias that we have ever dug, by cutting the price square in two. We will send prepaid any dahlia tuber listed in our 1926 catalog for half price. There is but one condition that must be met. YOUR DAHLIA ORDER MUST REACH US BEFORE FEBRUARY 15, 1927. Better order early to be sure of getting the varieties that you want!

SPECIAL DISCOUNT FOR EARLY ORDERS

From all orders received by us in January you may deduct 10% discount.
From all orders received by us in February you may deduct 5% discount.
After March 1st all orders net.

Margaret Glendinning—A daughter of Rose Ash and even more beautiful than her mother which she resembles. The blossoms contain more rose pink than the parent. Stately and exceedingly beautiful. Each .35; \$3.50 per doz.

Ming Toy—Large blossoms of finest form and perfect placement on tall stems. Deep buff with a yellow throat. Certainly a beauty. Created a sensation in our garden the past season. Each .25; \$2.50 per doz.

Mrs. Leon Douglas—Enormous rose colored blossoms striped with scarlet. Extra long spikes. This is probably one of the largest glads in existence. Exceedingly beautiful. Each \$1.00.

Ocellus—Our 1927 introduction. **The outstanding figure in glad-dom.** So different and so brilliantly beautiful that it is hard to realize it is a glad and not a cattleya orchid. Good sized blossoms; six to eight open at one time; tall straight spikes; perfect placement of florets—everything a perfect glad should have.

THEN—see the wonderful color: Pinkish lavender with a very prominent violet blotch with an outline of yellow on the lower petal. No written description can convey the striking resemblance to the eye of a peacock feather. It must be seen. Stock very limited. Each \$20.00.

Odin—Dark salmon pink with bright carmine blotch. A beauty. Each .15; \$1.50 per doz.

Regulus—Tall spikes bearing large flowers of orange salmon with delicate yellow throats. Fine. Each .15; two for .25; \$1.50 per doz.

Remembrance—Deep salmon pink blossoms. Prominent throat blotches. Tall spikes with many large ruffled flowers opened at one time. Each .40.

Rose Mist—Large flowers of a peculiar color, hard to describe but termed by the originator as crushed strawberry. A tall, vigorous and very beautiful variety. Each \$1.00.

Scarlet Glory—Ruffled blossoms of a very rich and distinct shade of red. Each .35; \$3.50 per doz.

Sedan—A fine ruffled Primulinus Hybrid. Rich yellow with crimson lines on lower petals. Each .15; two for .25; \$1.50 per doz.

Seneca—Well placed blossoms of delicate yellow faintly tinted with pink. Each .15; two for .25; \$1.50 per doz.

Sidney Plummer—Large, well placed, slightly ruffled blossoms of beautifl soft yellow, suffused delicate pink. Many open at one time. Choice. Each .35; \$3.50 per doz.

Sunset Glow—Beautiful Primulinus Hybrid of orange scarlet. Very brilliant. Each .20; three for .50; \$2.00 per doz.

Titanie—Immense wide open blossoms of lilac purple. An unusual color. Each .20; \$2.00 per doz.

Willis E. Fryer—Massive blossoms of deep reddish violet, yellow throat. Tall and fine. Each .40; three for \$1.00.
